

WELLSTON TRADING CORPORATION

CONCEPT

Since 2002, Wellston Trading Corporation is a provider of marine and energy solutions that connects manufacturers and clients all around the world.

With our goal to represent Japan's manufacturing excellency globally, we supply spare parts for a wide range of machineries: equipment for marine vessels, power plants, constructions machines, mining and chemical products, etc.

Thanks to our in-depth knowledge and long experience in the field, we guarantee that all our products meet the required specifications and the highest quality standards.

A wide range of critical and non-critical spare parts are available in our stock, carefully inspected by our team of experts.

COMPANY NAME:	Wellston Trading Corporation
CEO:	Susumu Kitano
ESTABLISHMENT:	November 19 th , 2002
ADDRESS:	5-19-5 Okusawa, Setagaya-ku, Tokyo, Japan, 158-0083
TELEPHONE:	+81-3-6421-5966
FAX:	+81-3-6421-5966
EMAIL	admin@wellston.jp
WEBSITE:	https://wellston.jp
EMPLOYEES:	24 people
MAIN BANKS:	Sumitomo Mitsui Banking Corporation Mizuho Bank

SUPPLY SERVICES

Marine Vessels

- Sales of ships' engine parts, equipment and instruments
- Management of repair for ships and equipment
- Sales and repair of instrumentation equipment

Power Plants

- Sales of spare parts for power plants and equipment
- Management of inspections and repair for generators
- Sales and repair of instrumentation equipment

Construction

- Sales of the used construction machines and spare parts
- Dismantling, export and instalment of power plant in overseas
- Providing after-sales technical and maintenance service

Mining & Chemical Products

- Sales of every necessity of life at the mining site
- Sales of machines and spare parts

Food Package

- Sales of Slitter Rewinders and Inspection Rewinders for films and all related spare parts of the machinery.

Tools & Equipment

- Sales of thermometer, gas detector, and conveyor related goods.

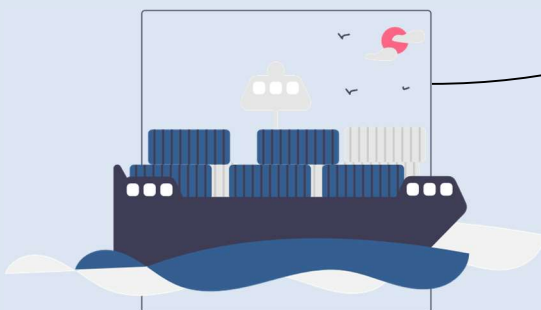

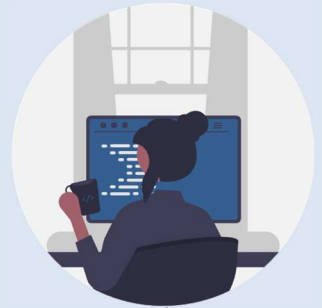

PACKAGING, WAREHOUSING & LOGISTICS

Our in-house packing system and shipping service permits speedy dispatches worldwide.

All standard packaging by Wellston is free of charge for all of our supply orders and use recyclable and sustainable materials.

We offer economical solution for non-standard packaging, which include oversize items and products with special requirements.

With our logistic service, you can store and collect your cargos in our warehouses. We will help you with custom clearance procedures and international and local shipments.
